This year we welcome a new incarnation of Molly McCormack – Les Chaine Poulets. She and her musical partner Bettie Keeling play lap and hammered dulcimer, guitar and (I am told) chickens.

They performed at Clarkson Elementary school on Friday in their children's show *The Stringed Chickens*. We thank Clarkson Elementary for their support in helping bring Les Chaine Poulets to the Dulcibrrr. Anne MacFie returns to the Dulcibrrr as does Gary Gallier and Jon Kay.

Thank you for your support of the Dulcibrrr. We hope you enjoy your visit.

Thanks also to Sheila Jones and the Rough River Dam State Resort Park staff.
